EXPERIENCE

Senior Product Designer | CSA Group

OCT 2025 - Present, TORONTO, ON

- Lead development of the CSA Design System, setting the framework and standards that keep design coherent across the organisation
- Served as UX Lead on a comprehensive brand identity transformation, extending into logo and identity updates
- Embed WCAG 2.0/2.1 and AODA conformance into shared components, so accessibility is inherited rather than retrofitted

Product Designer | CSA Group

SEPT 2021 - OCT 2025, TORONTO, ON

- Designed CSA Advantage across mobile and desktop, simplifying how professionals locate and apply technical standards
- Led critical projects within the Standards Digital Transformation, turning dense business requirements into flows users could follow
- Ran research end to end - interviews, journey mapping, focus groups, usability testing - owning the lifecycle from concept to tested prototype

Product Designer | Travel Discounters

JAN - AUG 2021, TORONTO, ON

- Improved the customer-facing site through user research, reported to have boosted the business by 80% and lifted profit margin by roughly 50%
- Built an internal quoting portal, established the company's first design system, and raised accessibility for a largely senior-citizen audience

UI/UX Designer | Rafiki Digital

OCT - DEC 2020, TORONTO, ON

- Defined UX strategy, methodology, and delivery milestones with the product owner; led the persona and journey work that reframed a B2B consultancy site around a visitor in crisis

UI/UX Designer | Recruit 'N' Refer

APR - OCT 2020, TORONTO, ON

- Delivered wireframes, prototypes, and usability testing for a responsive hiring portal, shipping phase one with developers

Product Designer | Upwork

FEB - OCT 2020, REMOTE

- Delivered 10+ web, mobile, and redesign projects for 5+ clients using Figma, Sketch, and InVision

Junior UI/UX Designer | SevenMentor Pvt Ltd

FEB 2018 - JAN 2020, PUNE, INDIA

- Redesigned the SevenMentor website: +11% user satisfaction, -33% mobile bounce rate, and an admissions lift generating approximately Rs. 500K annually

PROFILE

Senior Product Designer with eight years' experience making complex, regulated domains usable. At CSA Group I lead the design system and served as UX Lead on a brand identity transformation, designing the software through which Canadian safety standards reach the professionals who apply them. Computer engineering background; WCAG 2.0/2.1 and AODA built into patterns from the start, not audited at the end.

SKILLS
